Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I do not support restricting
the availability of individually compounded
medications. Please do not adopt the MOU.
I have been using compounded medication
for over a year now and it has been a
normalizing factor in my life. My com-
pounded medication helps relieve my sleeplessness
& anxiety.
